

GroupSync Supplier Solutions

Designed by hoteliers for hoteliers, GroupSync Supplier Solutions features a suite of technology tools to empower you to automate manual tasks, book more groups, and boost your bottom line.

Online Group Booking

GroupSync puts supplier inventory where customers are shopping. You can now offer planners real-time availability and online booking for guest rooms, meeting space or both.

Revenue Optimization

Capture more group revenue through housing and attendee management solutions. Need cash flow now? Set up a voucher or gift certificate program.

Property Marketing

Gain qualified leads and convert more business on the GroupSync Marketplace. Curate your content and target your promotions to the right planners at the right time.
